CHRISTINE MCIVER

Business Growth Specialist

CEO, Inspired Choices Network | Founder, Podcast To Bookshelf™ | Author, CEO Without Apology

Christine McIver is a master at turning potential into performance through the power of **intentional choice.**

A seasoned strategist and CEO of Inspired Choices Network, she brings decades of corporate & entrepreneur leadership into conversations that cut through noise, self-doubt, and confusion — replacing them with clarity, confidence, and decisive action.

Her style is direct, engaging, & unapologetically real. Christine challenges audiences to stop spinning, start leading, and make choices that create measurable growth and lasting success.

"Business growth isn't about doing more, it's about optimizing what truly moves you forward."

Christine McIver

From confusion to confidence, one choice at a time.

Becoming the CEO of Your Life & Business

Clarity. Choice. Confidence. Connection.

MEET CHRISTINE

Guiding you to become the Unapologetic CEO of your Life & Business.

Equal parts strategist and liberator, Christine Mclver fuses bold truth with practical strategy to ignite growth that's both aligned and abundant.

After years in corporate & entrepreneur leadership, Christine decided it was time to choose differently and began leaning into being unapologetically herself and becoming the CEO of both her life and business.

Christine asks the tough questions that inspire you to make a different choice.

Now, celebrating 18+ years as CEO of Inspired Choices Network, Christine continues to lead by example, teaching entrepreneurs how to amplify their vision, their voice and their authority.

Instigating conversations that transform into powerful, practical change.
