ORGANIZER RESOURCE

Stage Requirements

Thank you for inviting me to be part of your event. These are simply my preferences to help create the best experience for your audience. If something isn't available, don't worry. I can adapt to almost any environment.

Audio

- Wireless lavalier microphone preferred
- Handheld microphone works great as a backup

Visuals

- Projector or LED screen
- Presentation loaded before the session
- Confidence monitor or side screens preferred, if available

Room Setup

- No lectern preferred so I can move freely
- Whiteboard or flip chart appreciated
- Theater, classroom, rounds, or U-shape seating all work well

Before the Session

- Please have the presentation loaded before attendees arrive
- Water on stage is appreciated

MOST IMPORTANT

My goal is to make your event successful, not create extra work. I've spoken in boardrooms, hospitals, conference centers, churches, ballrooms, and convention centers, and I'm happy to adapt to your setup.
