DRYER CLEANER CO PRESENTS

Professional Christmas Light Installation

Your lights up, done right, before the December rush

★ ★ ★ ★ ★

Prepared by

Jack Amidei, Founder

Dryer Cleaner Co LLC · Castle Rock, CO

Serving South Denver

Castle Rock · Parker · Castle Pines · Lone Tree
Highlands Ranch · Centennial · Greenwood Village · Littleton

WHY HIRE A PRO

Skip the ladder. Get the glow.

Hanging lights means roof edges, cold hands and short evenings. Hand it to a local pro who treats safety as the job.

★

Safety first

- Licensed and insured
- Jack brings the safety standard of years in oil and gas
- Lights plug into a GFCI outlet, a standard safety step

★

No ladders for you

- We do the climbing, on one- and two-story homes
- You stay safely on the ground
- Just clear the path to your outdoor outlets

★

Your time back

- Evenings get dark fast once November arrives
- One short form starts your quote
- Install dates fill up as the holidays get closer

WHAT'S INCLUDED

A clear scope, quoted for your home

Service	Status	Details
One-story installation	**From $250**	Minimum to install one level; larger homes and options by custom quote
Two-story and larger homes	**Custom quote**	Based on roofline length, height and stories, and whose lights
Lights and clips	**Your choice**	Use your own, or new lights and clips are included in your quote
Cords and timer	**Available**	A recent quote included 300 ft of soft white lights, cords and a timer

Questions about anything else for your home? Ask about it in your quote: call/text 720-215-8092.

TWO WAYS TO LIGHT IT

Your lights or ours: both work

OPTION A

Use your own

- Already have lights and clips you like? Tell us on the quote form.
- We can often work with what you have.
- Good fit if last year's set still shines.

or

OPTION B

Jack supplies them

- Need new lights and clips? We include them in your quote.
- Example from a recent quote: 300 ft of soft white lights, cords and a timer.
- No shopping, no tangled boxes.

ONE-STORY INSTALL

Starting at

$250

Minimum to show up and install one level. Every home is different, so you get a custom quote.

Call/text 720-215-8092

YOUR CUSTOM QUOTE IS BASED ON

Roofline length

How many feet of lights your home needs.

Height and stories

One level, two stories, or a larger home.

Your lights or Jack's

Use your own lights and clips, or Jack supplies new ones.

UPGRADE PATH

Ready to never hang lights again?

Jellyfish Lighting: permanent, app-controlled LED lights in a low-profile track along your roofline. Jack is an authorized Jellyfish Lighting sales partner.

- Lights for every holiday, game day and everyday accent lighting
- Control colors and patterns from your phone
- Track is low-profile and color-matched to your trim
- No more ladders or hanging lights every season
