A 48-Day Bible Reading Plan

NOVEMBER 22, 2026 – JANUARY 8, 2027

This reading plan is a daily journey through Colossians, James, the letters of John, Jude, the Christmas story in Luke, and selected Psalms and Proverbs.

This plan is designed to help you know Christ more deeply, love Him more completely, trust Him more fully, and bear fruit that remains. Each day includes a primary Scripture reading, a Psalm for worship or adoration, or a selected Proverb for wisdom and everyday living, according to the following three themes:

1. **Christ Above All:** Establishing our identity, position, and completeness in Christ through Colossians and James.
2. **Christ Lived Out:** Putting faith into practice through the letters of John, Jude, and wisdom from Psalms and Proverbs.
3. **Christ Remains:** Celebrating the birth of Jesus through Luke 1–2 and reflecting on the wonder of the promised Messiah.

Four questions to consider each day:

☐ What does this passage reveal about God—His character, nature, promises, or purposes?

☐ What does this passage reveal about Jesus—His supremacy, love, sacrifice, or authority?

☐ What is the Holy Spirit inviting me to understand, believe, change, or practice?

☐ What is my response? Is there something to praise Him for, confess, surrender, or obey?

Mark each day as you complete the readings. Take your time, make notes, and allow the Word to shape your worship and your walk with Christ.
