Rebuild | Restore | Revitalize

KSG CONTRACTORS LLC

CORPORATE OVERVIEW

KSG Contractors, LLC (KSG), doing business as EKG Enterprises, is a Maryland-based small business established in 2010. KSG provides commercial and residential construction, property preservation, facility support, and renovation services.

Our work includes general contracting, construction management, design-build services, property maintenance, debris removal, and cleaning. We support government customers by delivering services that maintain properties, restore functionality, and improve facilities and communities.

CORE CAPABILITIES

Construction & Renovation
- General contracting and construction management
- Design-build services
- Residential and commercial renovations
- Building material replacement
- Essential repairs and property improvements

Property Preservation & Maintenance
- Property preservation services
- Boarding and securing broken windows
- Property winterization
- Trash-outs and debris removal
- Lawn maintenance, grass cutting, and weed control

Facility Support & Cleaning
- Facility Support Services
