TRAINING ROOM

Room rules

Arriving

- A staff member unlocks the room for you. Wait in your car until your booking starts and the group before you has left.
- Dogs stay leashed from your car to the room and back.
- Up to **8 people and 8 dogs** per booking. Every adult guest signs the guest waiver first (QR code below).

While you're here

- You're on your own in the room; staff are elsewhere in the building. Keep your dogs under control at all times.
- Stay in the room. Don't go into other areas of the building.
- Children stay with an adult and off the equipment.
- The agility equipment is yours to use, at your own risk. It doesn't need to be put away.

Before you leave

- Return the room to how you found it when you arrived: anything you moved goes back where it was.
- Pick up all waste and use the spray and paper towels on any accidents.
- Lights and thermostat as you found them. Take everything you brought.
- Tell us about any injury, bite, damage or mess you couldn't clean: (248) 618-3258.

Good to know

- Not returning the room to how you found it: $25 ($50 for heavy cleanup), and future bookings then need a $50 refundable deposit.
- Staying past your time: $15 per 30 minutes. Cancel or reschedule 12+ hours ahead for a full refund.
