The Networker's Tour Guide

Terms of Service

Effective date: November 14, 2026

These terms apply to your use of The Networker's Tour Guide website and to registration and participation in our workshops, events, programs, memberships, coaching, and digital products. By completing a purchase or registering, you agree to these terms.

Services Covered

The Networker's Tour Guide offers live virtual workshops, in-person practice sessions, events, programs, Premium OKC Networking membership, coaching and pitch sessions, and digital products and resources. The details of each offering, including dates, times, location, format, and price, are stated on its registration page at the time of purchase.

Registration and Payment

Payment is required to reserve your spot. Registration is for one participant and provides access to the offering stated at purchase, unless the registration page says otherwise.

You are responsible for providing an accurate email address and checking your email for confirmation, links, and updates.

Scheduling

Workshops and events run on the dates and times stated at registration. If you purchase a bundle, you may choose your workshop dates any time during the year stated at purchase. We will give you at least four weeks' notice before each round of a workshop begins.

No Refunds

All purchases are final. No refunds are provided for participant cancellations, scheduling conflicts, nonattendance, late arrival, early departure, or technical difficulties on the participant's side, except as required by applicable law.

Please confirm your availability before purchasing. Missing a session does not entitle you to a replacement session, credit, or recording, unless the session is rescheduled or canceled as described below.

Event Changes or Cancellation

The Networker's Tour Guide may need to change an event date, time, or delivery arrangements. Any changes will be communicated by email.

When an event is rescheduled, your registration will apply to the replacement session. When an event is canceled without a replacement session, registration payments will be refunded.

Participation and Technology

Participants are responsible for having a working device, internet connection, and access to Zoom for virtual sessions.

Come prepared to participate. Treat fellow participants respectfully and allow space for others to receive feedback. Disruptive or harassing behavior may result in removal from a session.

Materials and Permitted Use

Training materials, guides, and resources provided by The Networker's Tour Guide are for your own business use.

They may not be copied for distribution, resold, or used to teach a competing program without written permission.

You may use and adapt the materials you create during a session for your own business.

Participant Privacy and Recording

Please respect the privacy of other participants. Do not record, photograph, or share another participant's contributions without their permission.

Any recording by The Networker's Tour Guide will be disclosed before recording begins.

Results

Our workshops, events, and programs provide education, practice, and feedback. Individual results depend on your participation, implementation, business, and other factors. Specific referrals, sales, or revenue are not guaranteed.

Privacy and Communications

Your personal information is handled as described in The Networker's Tour Guide's Privacy Policy.

By registering, you will receive emails necessary to deliver your purchase, including confirmations, reminders, links, and schedule updates. Registration does not enroll you in text-message communications.

Changes to These Terms

We may update these terms as our services change. The current version will be posted with an updated effective date.
