CAPABILITY NARRATIVE

Blackhawk Transportation & Hauling (BTH) LLC is a freight carrier business owned by a disabled veteran. We prioritize customer service and aim to exceed customer expectations. Ensuring customer satisfaction involves understanding the multiple layers of your business needs. Simply delivering a product to a location does not guarantee satisfaction. Therefore, we aim to create value and solve problems for you and your business by adhering to our three core principles: 1) Develop a strong relationship. 2) Diligence and attention to detail. 3) Being Time-On-Target.

BTH LLC specializes in transporting high-value items in excess of $1 million, including aircraft, construction equipment, classic cars, and boats. Experienced in oversized loads and port operations on both U.S. coasts. BTH's founder is a U.S. Army veteran and combat aviation pilot who served as a pilot-in-command of a Black Hawk helicopter. BTH aims to earn your trust and help advance your company's mission, goals, and priorities.

CORE COMPETENCIES

- **Customer Focus:** Building strong, responsive relationships.
- **Attention to Detail:** Preventing costly errors.
- **Precision Delivery:** On-time and accurate logistics.
- **Safety and Discretion:** Professional and secure handling.
- **Customer Experience:** Enhancing satisfaction with tailored solutions.

PAST PERFORMANCE

Florida Highway Patrol (FHP) — Prime Contractor

2025–2028

Coordinate movement of FHP vehicles with our subcontractor from the central issue facility to 1 of 8 locations. Coordinate with a separate subcontractor for movement of MRAP, Bearcat, or Gerka up-armored vehicles within 24 hours of an emergency requirement anywhere in Florida.

National Museum of the Marine Corps — Prime Contractor

October 2026

Awarded the contract to move an AV-8B Harrier Jet from MCAS Yuma, AZ to MCAS Cherry Point, NC for restoration. Upon completion of restoration, move the AV-8B Harrier Jet from MCAS Cherry Point, NC to the National Museum of the Marine Corps in Dumfries, VA.

PMRO (TDL1) — Subcontractor

January 25–26, 2024 and June 23–27, 2024

Coordinate the pickup and delivery of six Intelligence Surveillance Reconnaissance (ISR)-modified vans and documents for overseas shipment to a government contractor's port.
