Informed Consent to Chiropractic Treatment

I hereby request and consent to the performance of chiropractic adjustments and other chiropractic procedures, including various modes of physical therapy and diagnostic x-rays, on me (or on the patient named below, for whom I am legally responsible) by the doctor of chiropractic named above and/or other licensed doctors of chiropractic who now or in the future work at the clinic or office listed above or any other office or clinic. I have had an opportunity to discuss with the doctor of chiropractic named above and/or with other office or clinic personnel the nature and purpose of chiropractic adjustments and other procedures. I understand that results are not guaranteed.

I understand and am informed that, as in the practice of medicine, in the practice of chiropractic care, there are some risks to treatment, including but not limited to fractures, disc injuries, strokes, dislocations and sprains. I do not expect the doctor to be able to anticipate and explain all the risks and complications, and I wish to rely upon the doctor to exercise judgement during the course of the procedure which the doctor feels at the time, based upon the facts then known to him or her, is in my best interest. I understand that there are other medical treatments and options available to me at this time including but not limited to medications, injections, or surgeries. I am choosing to receive chiropractic care and acknowledge that I am of sound mind at the time of signing this document.

I have read, or have had read to me, the above consent, and by signing below I agree to the above-named procedures, I intend this consent form to cover the entire course of treatment for my present condition and for any future condition(s) for which I seek treatment.

EXPLANATION OF MEDICARE SERVICES

Dear Medicare Patient,

Welcome to Integrated Chiropractic! We would like to take this opportunity to explain your Medicare benefits as they relate to your chiropractic care.

It is important that you understand Medicare **will consider** payment for **spinal** adjustments only, for neuro-musculo-skeletal conditions only. Medicare **will not provide benefits** for any other chiropractic services required for your care, including: ***physical examination, x-rays, extremity adjustments, and rehabilitation procedures such as heat, ice, soft-tissue therapies, physiotherapies (ultrasound, electric muscle stimulation, cold laser) and other passive and active therapies.***

You will be responsible to pay for all non-covered services at the time of service. You will also be responsible for an annual **$283 deductible** as well as your co-pay. **Medicare will only pay 80% of charges. The other 20% (your co-pay) will be your responsibility after all charges have been processed through Medicare.**

If you have a secondary insurance that covers Chiropractic care, we will submit your charges to the insurance company. Please be sure to provide your insurance card(s).

I fully understand the above paragraphs and agree to pay for all services not covered by Medicare at the Time of Service.

Name of Beneficiary_____HICN:_____

I request that payment of authorized Medicare benefits be made either to me or on my behalf to Integrated Chiropractic for any services furnished to me by that physician. I authorize any holder of medical information about me to release to the Centers for Medicare & Medicare Services and its agents any information needed to determine these benefits or the benefits payable for related services.
