Stainless Steel

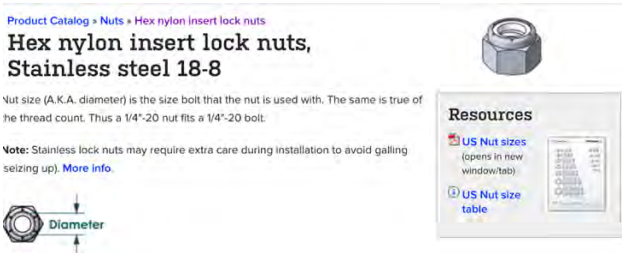

Black Oxide

Hex Nylon Insert Lock Nuts

- #10-32
- 5/16”
- 3/8”

Surfskate Deck Options

- Abian Skateboards
- Booyah Boards
- Carver Decks
- Koabaer
- Soulboardiy
- Whitetail Skateboards
- YOW Decks
- Zenit

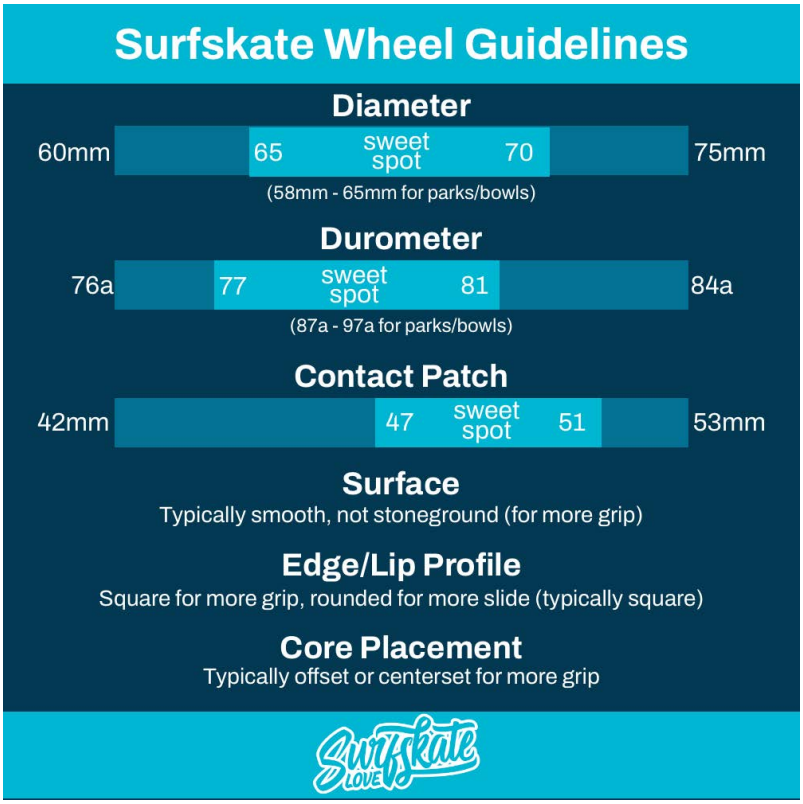

Surfskate Trucks You Can Buy Separately

- Abian Pro
- Aquilo
- Carver C7
- Carver CX
- Curfboard
- Grasp
- Slide
- Waterborne Surf Adapter
- YOW Meraki

Possible Solutions for Wheelbite

- Add risers.
- On the Waterborne Surf Adapter, use reverse kingpin trucks instead of traditional kingpin trucks.
- Use smaller wheels.
- Use narrower truck hangers.
- Use a Dremel to make wheel wells.
- On the Waterborne Rail Adapter, use harder bushings.
