PROMPT PACK

AI Prompts for Google Business Profile Posts

Copy-and-paste prompts for montessori schools

Free resource from JP Marketing · jpmarketing.co · Updated November 2026

What this pack does

Use these prompts to write a month of Google Business Profile posts in minutes. Weekly posts keep your profile active and give people (and Google's AI) more reasons to choose your Montessori school.

Words to know

Word	What it means
Prompt	The instructions you type into an AI tool.
[Blank]	A spot you fill in with your real info.
Chat	One conversation with the AI. It remembers what you said earlier in the same chat.
Tone	How the writing sounds: friendly, serious, fun.

How to use these prompts

1. Open ChatGPT, Claude, or Gemini (free plans work).
2. Paste your business info block first (Step 1).
3. Copy a prompt. Swap the **[BLANKS]** for your real info.
4. Read what it gives you. **Fix anything that's wrong.** AI makes mistakes.
5. Ask it to change things: "shorter," "simpler words," "more friendly," "add a local example."

> **Important:** AI doesn't know your real prices, reviews, licenses, or results. Never let it make those up. Give it the real facts, or leave those spots blank and fill them in yourself.

Step 1: Fill in your business info

Every prompt below uses these blanks. Fill them in once, then copy them into each prompt.

Blank	What it means	Example (Montessori Schools)
[BUSINESS]	Your business name	Little Oaks Montessori
[CITY]	Your main city	Cary, NC
[AREAS]	Nearby areas you serve	Apex, Morrisville, Holly Springs, Raleigh
[SERVICES]	Your services	toddler program, primary 3-6, kindergarten, lower and upper elementary, before/after care, summer camp
[AUDIENCE]	Who you help	parents of toddlers and young kids who want a calm, hands-on school
[USP]	Why people pick you	AMS-trained guides, outdoor garden, small mixed-age classes, weekly tours
[TONE]	How you want to sound	warm, calm, simple words a busy parent can skim

Pro move: Paste this "business info" block at the top of your AI chat before you use any prompt. Then the AI remembers it for the whole chat.

```
MY BUSINESS INFO
BUSINESS: Little Oaks Montessori
CITY: Cary, NC
AREAS: Apex, Morrisville, Holly Springs, Raleigh
SERVICES: toddler program, primary 3-6, kindergarten, lower and upper
elementary, before/after care, summer camp
AUDIENCE: parents of toddlers and young kids who want a calm, hands-on
school
USP: AMS-trained guides, outdoor garden, small mixed-age classes, weekly
tours

The prompts

Prompt 1: Plan a month of Google posts

One post a week keeps your profile fresh.

```
Plan 8 Google Business Profile posts for [BUSINESS], a Montessori school in
[CITY], for [MONTH].
Mix: offers, tips, team, events, services, and proof.
For each: post type (Update, Offer, or Event), headline idea, the post text
(60 to 120 words), the button (Book, Call, Learn more, Sign up), and which
page to link.
No phone numbers in the text. Simple words.
```

Prompt 2: Write an offer post

Offers get clicks.

```
Write 3 versions of a Google Business Profile offer post for [BUSINESS] in
[CITY].
Offer details: [PASTE REAL OFFER, PRICE, DATES, FINE PRINT].
Each under 100 words. Clear first line. Include the end date. Suggest a
button.
```

Prompt 3: Write an event post

Perfect for open houses, workshops, and special days.

```
Write a Google Business Profile event post for [EVENT NAME] at [BUSINESS].
Details: [DATE, TIME, PLACE, WHO IT'S FOR, WHAT HAPPENS, HOW TO SIGN UP].
Write a short event title (under 58 characters) and the description (under
120 words).
```

Prompt 4: Turn a service into a post

Spotlight one service each week.

```
Write a Google Business Profile post about our "[SERVICE]" service in
[CITY].
Include: a common problem or question, how we help, one trust fact ([USP]),
and a call to action.
Under 120 words. Mention [CITY] or one of [AREAS] once.
```

Prompt 5: Turn a real job or story into a post

Real stories build trust.

```
Turn this real story into a Google Business Profile post: [PASTE WHAT
HAPPENED, WHERE (city/neighborhood only), RESULT].
Under 120 words. Follow these privacy rules: Signed photo releases for every
child shown. Never post a child's full name with their face. Be careful with
location tags on posts showing kids.
```

Prompt 6: Write post ideas from reviews

Your reviews are content.

```
Here are recent reviews: [PASTE].
Find the 4 things people praise most. Write one Google post about each that shows (not brags about) that strength. Don't quote private details.
```

Prompt 7: Holiday and seasonal posts

Easy wins all year.

```
Write 12 Google Business Profile posts for a Montessori school in [CITY], one for each month, tied to the season or holidays.
Use these monthly themes as a guide: January: Open house season starts, fall enrollment opens / February: Open houses and tours (peak) / March: Application deadlines, re-enrollment / April: Summer camp push + waitlist / May: Teacher appreciation, year-end events / June: Summer camp + 'getting ready for fall'...
Each under 100 words with a button suggestion.
```

Prompt 8: Write photo captions

Photos with good descriptions help.

```
I'm uploading these photos to my Google profile: [DESCRIBE EACH PHOTO].
Write a short, natural description for each (1 to 2 sentences) that says what it shows and where (city), without keyword stuffing.
Also suggest a good file name for each photo (like teamname-service-city.jpg).
```

Check before you use it

- [ ] Every fact is true (prices, hours, licenses, years, results)
- [ ] No made-up reviews, stats, or awards

- [ ] Sounds like us (read it out loud)
- [ ] Simple words, short sentences
- [ ] Our city and service areas are right
- [ ] Clear next step for the reader
- [ ] No phone numbers in post text
- [ ] Offer dates and prices are real
- [ ] Photo releases for every child.
- [ ] Only claim AMS/AMI accreditation or membership if it is current.

How to tell if the AI did a good job

Good answer	Bad answer
Short sentences, plain words	Big fancy words
Uses YOUR facts	Makes up prices, reviews, or awards
Sounds like a real person	Sounds like an ad robot
Answers the question first	Long intro before the point
Mentions your city naturally	Says the city 20 times

How to fix a bad answer

Just reply to the AI with one of these:

- "Make it simpler. Use words a 10-year-old knows."
- "Shorter. Cut it in half."
- "Sound more like a friendly local business, less like a robot."
- "You made up [thing]. Remove anything I didn't give you."
- "Add a local example from [CITY]."
- "Start with the answer, then explain."
- "Give me 3 different versions so I can pick."
