JP MARKETING

PROMPT PACK

AI Prompts for Social Media Content

Copy-and-paste prompts for daycares & childcare centers

Free resource from JP Marketing · jpmarketing.co · Updated November 2026

What this pack does

These prompts help you plan and write a month of social posts, video scripts, and replies for your childcare center in about an hour.

Words to know

Word	What it means
Prompt	The instructions you type into an AI tool.
[Blank]	A spot you fill in with your real info.
Chat	One conversation with the AI. It remembers what you said earlier in the same chat.
Tone	How the writing sounds: friendly, serious, fun.

How to use these prompts

1. Open ChatGPT, Claude, or Gemini (free plans work).
2. Paste your business info block first (Step 1).
3. Copy a prompt. Swap the **[BLANKS]** for your real info.
4. Read what it gives you. **Fix anything that's wrong.** AI makes mistakes.
5. Ask it to change things: "shorter," "simpler words," "more friendly," "add a local example."

> **Important:** AI doesn't know your real prices, reviews, licenses, or results. Never let it make those up. Give it the real facts, or leave those spots blank and fill them in yourself.

Step 1: Fill in your business info

Every prompt below uses these blanks. Fill them in once, then copy them into each prompt.

Blank	What it means	Example (Daycares & Childcare Centers)
[BUSINESS]	Your business name	Sunny Steps Early Learning
[CITY]	Your main city	Naperville, IL
[AREAS]	Nearby areas you serve	Aurora, Lisle, Plainfield, Bolingbrook, Wheaton
[SERVICES]	Your services	infant care, toddler, twos, preschool, pre-K, before/after school care, summer camp
[AUDIENCE]	Who you help	working parents who need safe, reliable care
[USP]	Why people pick you	open 6:30-6:30, secure entry, meals included, daily photo updates, CCAP accepted
[TONE]	How you want to sound	friendly, warm, simple words for tired parents

Pro move: Paste this "business info" block at the top of your AI chat before you use any prompt. Then the AI remembers it for the whole chat.

```
MY BUSINESS INFO
BUSINESS: Sunny Steps Early Learning
CITY: Naperville, IL
AREAS: Aurora, Lisle, Plainfield, Bolingbrook, Wheaton
SERVICES: infant care, toddler, twos, preschool, pre-K, before/after school
care, summer camp
AUDIENCE: working parents who need safe, reliable care
USP: open 6:30-6:30, secure entry, meals included, daily photo updates, CCAP
accepted
TONE: friendly, warm, simple words for tired parents
Industry: Daycares & Childcare Centers
Rules: Signed photo releases for every child. Don't tag locations in real
time. Never show security codes, door details, or kids' full names.
```

The prompts

Prompt 1: Make a 30-day content plan

Never wonder what to post again.

```
Make a 30-day social media plan for [BUSINESS], a childcare center in
[CITY].
Use these content buckets: Day in the life, Parent tips, Safety and trust,
Teachers, Openings and events.
For each day give: format (reel, photo, carousel, story), the idea, a hook
(first line), and a call to action.
Rules: Signed photo releases for every child. Don't tag locations in real
time. Never show security codes, door details, or kids' full names.
Put it in a table.
```

Prompt 2: Write captions

Turn ideas into posts.

```
Write 10 social media captions for [BUSINESS] about: [TOPICS].
Each caption: a strong first line, 2 to 4 short sentences, one call to
action, and 3 to 5 hashtags (mix local and topic tags).
Tone: [TONE]. No emojis overload (2 max).
```

Prompt 3: Write short video scripts

Short videos get the most reach.

```
Write 5 short video scripts (20 to 40 seconds) for [BUSINESS], a childcare
center in [CITY].
Topics: [TOPICS] (or pick the questions parents ask most).
For each: hook (first 2 seconds), what to say (in simple talking words),
what to show on screen, on-screen text, and the ending call to action.
Make them easy to film on a phone with no editing skills.
```

Prompt 4: Myth-busting series

Myths are great for engagement.

```
List 10 common myths people believe about daycares or [SERVICE].
For each: the myth, the truth in 1 to 2 sentences, and a carousel layout (5 slides).
Keep it friendly, not preachy.
```

Prompt 5: Team spotlight posts

People trust people.

```
Write a team spotlight post for [NAME], [ROLE] at [BUSINESS].
Facts: [PASTE: years, training, what they love, fun facts].
Write: 1 Instagram caption, 1 Facebook post, and a 30-second video script where they introduce themselves.
```

Prompt 6: Turn reviews into posts

Social proof that's easy to make.

```
Here are 5 real reviews: [PASTE].
Turn each into a short social post that thanks the reviewer (first name only, if they're OK with it), pulls out the best line, and ends with a soft call to action.
Follow these rules: Signed photo releases for every child. Don't tag locations in real time. Never show security codes, door details, or kids' full names.
```

Prompt 7: Seasonal and local ideas

Stay timely.

```
Give me 20 social post ideas for a childcare center in [CITY] for [MONTH],
tied to local events, weather, school calendars, and holidays.
Add a hook for each.
```

Prompt 8: Reply to comments and DMs

Fast, kind replies win.

```
Write friendly reply templates for [BUSINESS] for these situations: someone
asks about price, someone asks if we have openings, someone leaves a happy
comment, someone leaves an angry comment, someone asks a personal question
about their situation in public.
Keep replies short. Move private stuff to DMs or a phone call. Follow
privacy rules for childcare centers.
```

Check before you use it

- [ ] Every fact is true (prices, hours, licenses, years, results)
- [ ] No made-up reviews, stats, or awards
- [ ] Sounds like us (read it out loud)
- [ ] Simple words, short sentences
- [ ] Our city and service areas are right
- [ ] Clear next step for the reader
- [ ] Photo/video permission for anyone shown
- [ ] No private info in posts or replies
- [ ] Signed photo releases.
- [ ] Show license info as your state requires.

How to tell if the AI did a good job

Good answer	Bad answer
Short sentences, plain words	Big fancy words
Uses YOUR facts	Makes up prices, reviews, or awards
Sounds like a real person	Sounds like an ad robot
Answers the question first	Long intro before the point
Mentions your city naturally	Says the city 20 times

How to fix a bad answer

Just reply to the AI with one of these:

- "Make it simpler. Use words a 10-year-old knows."
- "Shorter. Cut it in half."
- "Sound more like a friendly local business, less like a robot."
- "You made up [thing]. Remove anything I didn't give you."
- "Add a local example from [CITY]."
- "Start with the answer, then explain."
- "Give me 3 different versions so I can pick."

Want us to do this for you?

JP Marketing helps local businesses show up on Google, Google Maps, and AI search tools like ChatGPT. We build the websites, write the pages, run the ads, and set up the follow-up.

Book a free strategy call at jpmarketing.co. We'll look at your site and your Google profile, and show you the 3 fastest wins for your business.

Rules on Google, Meta, and AI tools change a lot. This guide was last updated November 2026. It is general marketing info, not legal advice.
