SNAPSHOT

This shop has a Google profile and a web page, which already helps. The problem is trust and consistency: the only Google review found is a 2.0 about hours that did not match the door, and the hours on Google-sourced pages still do not match the website.

Google Business Profile	23/30
Reviews	3/15
Website	19/25
Directory / listings	4/15
NAP consistency	11/15

Google Business Profile — 23 / 30

Yes — Cigar shop, with a long business description and a linked website, Facebook, and Instagram. Hours are listed on Google-derived pages as Mon–Fri closed, Saturday 1–8 p.m., Sunday 12–4 p.m. Photo count on Google: not found. Rating: 2.0 from 1 review.

Website — 19 / 25

Yes — a real page on a parent-brand site, not a dedicated domain. The shop's obvious domain name does not resolve in public DNS. HTTPS and a mobile viewport are present. First-byte time was mixed, and the page is very heavy (about 1.9 MB). The main action is "Email us"; no click-to-call was found. The address matches; a phone number was not found on the page. Website hours: Thursday–Saturday 1–6 p.m., Sunday 1–5 p.m.

NAP consistency — 11 / 15

The shop name sometimes appears with or without "The." The Conyers suite address is consistent on this shop's own listings. A phone on Google-derived records was not found on the website. The hours conflict (Google-sourced vs. the website) is the most serious consistency issue.

Reviews — 3 / 15

One Google review at 2.0, dated about eight months before this audit, saying the shop was listed as open online but was not open when the customer arrived. No other Google reviews were found. Owner reply: not found.

Directory / listings — 4 / 15

Conyers Thrive: not found. Yelp: not found. Facebook: yes (a small page, about 8 followers). Apple Maps / Bing: not found. Another cigar shop is listed at the same suite with a different phone, website, and hours.

TOP 3 FIXES

1. Make the hours match everywhere, then reply to the Google review. Pick one schedule, update Google, the website, and Facebook the same day, and post a short, courteous public reply.
2. Ask customers who do visit to leave a Google review. A single 2.0 rating is what neighbors see today.
3. Put the phone number and a clear "Call us" or "Visit us" action on the website, and add a Conyers Thrive listing (Featured if the shop wants to stand out). A Yelp page with the correct hours would also help.

A NOTE FROM CONYERS THRIVE

A basic Conyers Thrive listing is free. Featured is $29/month. Founding Anchor is $79/month (limited to 10). A one-page site and booking is usually $497 setup + $97/month. The $149 paid for this audit is credited in full toward website setup if you start within 30 days. Month to month, cancel anytime. Questions: hello@conyersthrives.com.
