SNAPSHOT

This score is about online findability, not about the ministry itself. We could not find a distinct, ranking Google Business Profile or a website for this ministry at its current Conyers address. A Google search currently surfaces a similarly named church, and older directories still show a different address and phone. Facebook is the clear public home today.

Google Business Profile	0/30
Reviews	0/15
Website	0/25
Directory / listings	5/15
NAP consistency	5/15

Google Business Profile — 0 / 30

Not found as a distinct, ranking Google Business Profile for this ministry. A search for the ministry name and current address returned a knowledge panel for a similarly named church in the same city, with a different address, phone, and website. Hours, photos, category, and rating: not found on a Google profile for this ministry. Some church directories that do use the current address list Wednesday evening and Sunday service times; those hours were not verified on Google Maps.

Reviews — 0 / 15

No Google review count was found for this ministry at the current address. Facebook search results show a 5.0 rating from 6 ratings on the ministry's own page. Those Facebook ratings are noted here but are not scored in this section, which is based on Google reviews. Owner replies: not found.

Website — 0 / 25

No website of the ministry's own was found. Facebook is listed as the website on at least one church directory. Obvious domain names for the ministry do not resolve in public DNS. Sites at similar names belong to other organizations and were not treated as this ministry's.

Directory / listings — 5 / 15

Conyers Thrive: not found. Churches and community nonprofits are listed free (0 of 6). Yelp: a listing exists under this name, marked unclaimed, at a different Conyers-area address (with a misspelled city) and a different phone, plus mismatched hours (1 of 3). Facebook: yes (about 410+ followers, 5.0 from 6 ratings, and the matching current address and phone). Apple Maps / Bing: not found. Other directories and a state entity record use still other Conyers addresses.

NAP consistency — 5 / 15

The ministry's own name is consistent on Facebook, but public search is crowded by the similarly named church and by older listings that do not use the current address (2 of 5). The current address is confirmed on Facebook; conflicts include the unclaimed Yelp page, another directory at a different street, and a state entity record at a third Conyers address (1 of 5). The Facebook phone is consistent on listings that use the current address; Yelp and another directory use a different number (2 of 5).

TOP 3 FIXES

1. Create and claim a Google Business Profile for this ministry at the current Conyers address with the correct phone, service times, and photos. Until that exists and ranks, a neighbor searching the name may land on the similarly named church instead.
2. Correct or close the outdated listings. The unclaimed Yelp page and the other directory entry still show a different phone and a different address.
3. Add a simple ministry webpage with service times, address, phone, and a link to Facebook, and claim the free Conyers Thrive listing. If a built-and-maintained site is wanted, the nonprofit website rate applies.

A NOTE FROM CONYERS THRIVE

Churches and community nonprofits are always listed free on Conyers Thrive. A one-page site and booking is usually $297 setup + $57/month at the nonprofit rate. The $79 paid for this audit is credited in full toward website setup if you start within 30 days. Featured and Founding Anchor are optional paid upgrades; a church listing itself stays free. Month to month, cancel anytime. Questions: hello@conyersthrives.com.
